Second shout out.

I have my finish team and one person at each marshal point.

I would really like to pair up marshals if I can, so if you can help your club please let me know.

Current list of helpers on the link below – If I have you on there in error, or are not on there but can help please let me know

If you are not racing, please consider volunteering for your club.

I'm going to need at least a dozen helpers, particularly out on the course.

I look forward to your offers of assistance

Billy
