Press Report 14th February 2017 A light falling of snow greeted the runners for the final Essex League fixture of the season at Basildon on Saturday. Although the snow meant that some of the fields were a little down in numbers, this was a real cross country test, with repeated ascents and descents of a steep hill on every lap. First up was Matthew Hick in the Under 13 race. Matthew had hit a bit of form in the last few weeks and his confidence was high and this showed in the way that he started the race. After the opening 400m, Matthew was up with the leaders nicely placed around 11th. The course then took the runners out of view to ...[Read more](#)

Ilford AC 10 mile Cross Country – (Race for Kev) Tuesday 27th December 2016 Ilford AC enjoyed a wonderful turnout when hosting their winter showcase 10 mile cross country event on a cold crisp Christmas bank holiday Tuesday morning. Near on 150 runners were also treated to some beautiful bright sunshine which was probably better appreciated by volunteers and spectators as it did little to thaw the frosted tracks and rutted mud that characterised most of the 3.3 mile course which the runners had to negotiate 3 times. Nevertheless conditions were ideal for fast times with the leading 3 runners all cracking the magical 1 hour barrier, unusual for this normally extremely challenging course. The stage was therefore set for Woodford Green's John Powell ...[Read more](#)
