ILFORD A.C. NOTES

ANOTHER SUCCESS FOR THE LADIES

CONTINUING a very successful season the Ilford Athletic Club Ladies' Section were again victorious at Enfield last week in an inter-club match with Enfield L.A.C., by 40 points to 25.

It is unfortunate that to date no International matches have been arranged as otherwise honours and representation would surely come Ilford's way.

In the recent match against Chelmsford, Hampstead and Woodford, H. R. B. Turnbull followed up his treble win of two days previously with another fine performance, taking first place in Throwing the Discus and Putting the Shot, and second place in the Javelin event. His prowess as a field event exponent is remarkable.

Match results: 1st, Ilford A.C., 41 points; 2nd, Chelmsford A.C., 35; 3rd, Hampstead, 27; 4th, Woodford Green A.C., 26.

Ann Crane, of the Ursuline High School, won her heat of the 150 yards Senior Girls event, was second in the second round, and finished fourth in the final, as she had done in the corresponding event last year. She, too, was a member of the Essex relay team which was first in its heat and second in the final.
