Southern Athletics league Track meeting Bury St Edmunds 17th June 2017 *Ilford go fourth*
For the first time this summer Ilford were greeted with hot weather for their third southern league match of the season at Bury St Edmunds. For many of the young athletes it was their first coach trip to a League match. After two very tough first fixtures, this match offered Ilford the chance of finally beating another team. On the track the meeting started with the 400m hurdles, and as one of the athletes was stuck in traffic, young Mungo Prior stepped into the breach to run in his first ever hurdle race, he did brilliantly to not only take second place, but edge his own Coach Wayne Hick who took 5th ...[Read more](#)

A light falling of snow greeted the runners for the final Essex League fixture of the season at Basildon on Saturday. Although the snow meant that some of the fields were a little down in numbers, this was a real cross country test, with repeated ascents and descents of a steep hill on every lap. First up was Matthew Hick in the Under 13 race. Matthew had hit a bit of form in the last few weeks and his confidence was high and this showed in the way that he started the race. After the opening 400m, Matthew was up with the leaders nicely placed around 11th. The course then took the runners out of view to the hilly sections. ...[Read more](#)

South of England Cross-Country Championship Parliament Hill Fields Saturday 28 January 2017 The South of England Championships was held at Parliament Hill last Saturday. The course which can sometimes resemble a swamp was a little drier than usual this year which led to some very close fast racing. Star performer on a course on which he does not excel was Ahmed Abdulle competing in the Men's Under 20 race run over 5 miles. The traditional start involves a cavalry charge up a steep 400m hill and Ahmed was in contention from the off. After the initial stampede he was nicely positioned in 10th place. The second half of the race turned into a procession for Aldershot, who filled the first three places. Ahmed however ...[Read more](#)
